Monthly Joke Corner

Only a few of my friends know that I nearly became a doctor. But this is what happened.

When I was young in the 1970's, I decided I wanted to be a doctor, so I took the entrance exam to go to Medical School.

One of the questions asked of us was to rearrange the letters PNEIS into the name of an important human body part which is most useful when erect.

Those who answered "spine" are doctors today.

Next

A clearly inebriated woman, stark naked, jumped into a taxi in New York City and laid down on the back seat.

The cab driver, an old Jewish gentleman, opened his eyes wide and stared at the woman. He made no attempt to start the cab.

The woman glared back at him and said, "What's wrong with you, honey? - Haven't you ever seen a naked woman before?"

The old Jewish driver answered, "Let me tell you sumpsing, lady – I wasn't staring at you like you tink; det would not be proper vair I come from."

The drunk woman giggled and responded, "Well, if you're not staring at my boobs or ass sweetie, what are you doing then?"

He paused a moment, then told her..."Vell, M'am, I am looking, and I am looking, and I am tinkering to myself, 'Vair in da hell is dis lady keeping de money to pay for dis ride?"
